Dear Mr. Smith

I am in my 8th year at the Principal for South Oak Cliff High School (SOC) near your store. I want to thank you for the help you have provided with our school over the years. The recent help since 2023 in providing supplies for the StudentMotivation.org Project has been especially productive. This project focuses our students and their families on life goals and family history. See attached spreadsheet on progress and a description of the Project.

Now we want to continue to improve the excellent student achievement record in SOC, and spread it to every school in the SOC Feeder Pattern! Can you help?

These are the three supplies listed below that we need for the StudentMotivation.org Homework Project which focuses students onto their own life goals and family history:

- 1) 10,000 - Privacy tint PG #10 business envelopes, two for each student and their family. One is the annual envelope to hold all the original letters parents, grandparents and other relatives are writing about goals and family history stories. The second envelope holds the copies of these valuable letters. The copies go in this second envelope to school for display near the Flag used for the student's daily Pledge of Allegiance. This envelope goes home at the end of each school year.
- 2) 100 - 6-quart white plastic containers that will be placed near each classroom flag. Dimensions are 13.5" long, 8" wide, & 4 5/8" high.
- 3) On each container we will place four 3.5" by 5" labels, alternating between 4 English and Spanish words "Goals, Roots, Metas and Raices" Therefore we need 2 packages of 100 sheets each of the Avery Labels # 5168.

Can your store donate these supplies to South Oak Cliff High School?

Sincerely,

Dr. Willie Johnson
Principal
South Oak Cliff High School
